# BEAR SPRAY

As the #1 personal safety brand trusted by consumers and police worldwide, SABRE delivers maximum strength products to ensure maximum protection.

Our bear spray line is no different, offering greater strength, larger deployment distance, and easier access to the product – so that your shoppers can venture confidently.

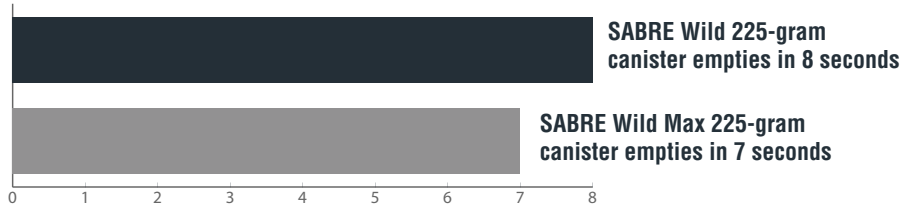

- » Maximum strength formula guaranteed via in-house lab with Health Canada-regulated ingredients that will not harm the environment or permanently injure a bear
- » 10.5 meter range allows greater distance between the user and a bear – further than any competitor
- » Field tested by Elmendorf Air Force Base and Brown Bear Resources to ensure efficacy
- » Optional belt holster features quiet, maneuverable, and secure straps to ensure easy access and reduces risk of startling the bear with loud Velcro

SABRE encourages consumers to Make It Safe™ while enjoying the outdoors by offering animal deterrents.

Our dog sprays protect against attacking dogs with the maximum formula permitted by Health Canada, ensuring maximum stopping power without permanently injuring the animal.

- » Exceptional range provides protection at a safe distance
- » Multiple bursts per canister provides protection against multiple threats
- » Reduced wind blow-back thanks to powerful stream deployment
- » Humane, effective, and all-natural pepper spray formula
