LOCKS HEAT IN

Retain™ technology is an aluminized polypropylene core layer in the fabric system. This thin aluminized layer captures and returns up to 90% of your body heat back to you. Simultaneously, it deflects cold outside air away from the skin to keep sportsmen and women out longer, despite the conditions.

KENNEL PAD ▶ 5605

- Heavy-duty polyester shell with polyurethane backing
- Waterproof fabric
- Constructed with Retain™ heat retention technology that radiates the dog's body heat back to their body, keeping them warm and comfortable
- Heavy-duty embossed non-skid bottom
- Hanging loop for easy storage or cleaning
- Drainage hole

Ott DeFoe and Onyx

Onyx proudly sponsors Ott DeFoe, a prominent and successful pro angler on the Major League Fishing professional bass fishing circuit, 2019 Bassmaster Classic Champion, and TV Host of OUTDOOR CHANNEL's "Hunt for Monster Bass".

Ott has this to say about Onyx: "Being on the water as much as I am, there is only one brand of life jackets and rainwear I trust for myself and my family. Onyx has kept us safe, dry, and comfortable while fishing, swimming and just spending time on the water."

TRAINER

WATERSKIS ▶ 3300

- The easy way for teaching children to ski!
- Detachable stabilizing ropes at the tip and tail that securely hold the skis the proper distance apart to ensure control and confidence when learning. As the child progresses, they can be removed providing more freedom.
- Double handle rope provides added safety for beginners. The child holds one end of the rope while an adult holds the opposite handle while in the boat. If the child falls, the adult simply lets go of the handle to prevent any injuries. This gives the adult more control over a safe ski lesson for beginners.
- For children up to 85 lbs.
- Length: 116 cm / 46"
