INSPIRE LC II

MFG NO: INSPIRE-LCII
UPC: 877060-00268-4
CASEPACK: 2

NEW
ITEM

The first of its kind, the Inspire LC II provides unprecedented maneuverability & dependability. Providing the user an alternative to wading fins, the Inspire LC II is propelled by full rotation oars that can lock into place when not in use. The top and pockets are made of Caddis' exclusive ultra tough cross-stitched weaved material. All critical seams are double stitched. All new upgraded inflatable seat & backrest sits you above the water for less drag and warmer days of fishing. Storage features include two large and two small pockets, and an additional cargo area behind the seat. Custom Boston Valves and bladder-to-cover attachment points make filling and deflating your Inspire LC II easy. Includes fluorescent safety accents behind the seat and stabilizer bar.

FEATURES

Caddis Exclusive Ultra Tough Cross-Stitched Weaved Material

All New Upgraded Inflatable Seat & Backrest

Two Main Equipments Pockets

Two Auxiliary Pockets

Stabilizer Bar & Stripping Apron
