CLOSURES

ATTRIBUTES

PROFLEX® SWEATBAND

Gives you the look and comfort of a fitted cap. Perform with a perfect fit!

D-FIT® CLOSURE

An adjustable hook/loop tape closure around a D-Ring attached to an elastic band to ensure the perfect fit.

EXPAND-A-BAND

A stretchable elastic band that adjusts to fit most head sizes.

LADIES FIT SIZING

This size has a smaller circumference, shortened crown and smaller visor to ensure a great fit just for ladies.

DOUBLE X™ SIZE

Select styles available in Double X™. Styles adjust to fit 7 5/8 - 8 1/8 cap size.

QTECH™ COOLING

QTech™ Cooling technology draws moisture away from the head to provide a rapid cooling sensation. QTech™ Cooling products reduce temperature by 5°F, feature antimicrobial properties that eliminate odor-causing bacteria for long term scent control, and offers 40+ UPF protection.

Q3® FABRIC

Quick-Wick, Quick-Cool, Quick-Dry. Q3® technology wicks moisture away from the skin and transfers it to the fabric's surface for evaporation.

SCENT DESTROYER

Zeolite Scent Control System technology eliminates odor-causing bacteria for long-term scent control.

UV SHIELD

We carry a variety of UPF rated products to protect your skin from excessive UV rays that cause skin cancer and premature aging.

WATER DEFENSE

Durable water repellent fabric and the DuPont™ Active Layer waterproof liner blocks water and allows moisture to escape for more breathable comfort.

In 1983, Bill Jordan decided to design his own camouflage patterns. His dream took three years and was premiered at SHOT Show in 1986. His patterns were recognized by well-known figures in the hunting industry as top of the line. By the end of the show, Mr. Jordan signed an agreement and Realtree® was born. "Family, Friends and the Outdoors" are where it has always been for Bill and he holds true to that today by making this the official slogan for Realtree®.

This type of value and determination is what Outdoor Cap looks for in a brand. We value our partnerships with companies like Realtree® so we can offer our customers the best in headwear.

TRUETIMBER®

CAMO

In 2005, TrueTimber's founder and CEO, Rusty Sellars captured the ground beneath his deer stand on camera and brought the photo to his fabric mill for computer engraving and digital output. By capturing elements of brush, twigs, limbs, bark and leaves from their natural environment, a camouflage pattern was born.

Outdoor Cap values the opportunity to partner with a company who has this creativity and vision and we know our customers will see this in the products.
