ENTERPRISES, INC TM

YOUR **ICE** FISHING EXPERTS

**“OVER 45 YEARS
SATISFYING THE PROS”**

**2022-2023
WINTER CATALOG
WWW.HTENT.COM**

Dear Customer,

Premium Gear Since 1972

We at HT Enterprises, Inc., would like to thank you for showing an interest in our ice fishing product line. Over the years we have worked hard to design and manufacture products that you would be proud to market.

Our line of ice fishing tackle has been well received throughout the United States, Canada, and the World. Our products have weathered the "test of time" and have proven to be very popular among ice fishing enthusiasts everywhere.

Our number one goal is to continue to offer the very best ice fishing tackle in the world. We will continue to do everything possible to keep the cost of manufacturing down, so that you will always remain competitive in the marketplace. Our wholesale-buying discount program has been designed to achieve maximum volume and high profits.

If you have any questions concerning our product line or discount program terms, please give us a call at 920-533-5080. Our office hours are from 8:00 a.m. to 4:00 p.m. daily (Central Time).

Again, we'd like to thank you for your interest in our line of ice fishing tackle products. We will continue to do everything possible to serve you.

2022-23 Ordering Program

In order to provide you with quality product and on-time deliveries at competitive prices we need to be able to place orders on a timely basis with our suppliers.

- Late orders to our suppliers starts an unfortunate chain of events starting with late shipments to customers and lost sales.
- Quality diminishes quickly when suppliers must rush production to try and meet unreasonable deadlines. Without ample production time quality control is not able to catch problems that normally would be easily resolved.
- Rush orders always demand higher production costs and unusual shipping arrangements that add unnecessary costs increasing the cost of your products.

➔ **We can greatly diminish the above situations with timely ordering. We depend on you to evaluate your product needs at the end of the ice fishing season.**

- 1) **Count your inventory as you are storing the remaining stock**
- 2) **Record your sales quantities for each ice fishing item**
- 3) **Mark the items to go forward and items to drop**
- 4) **Subtract sales from remaining inventory quantities**
- 5) **Provide a 2022 forecast to your HT representative Before 3/1/2022**

Please Place Opening Orders Before March 1st, 2022

HT Enterprises, Inc strives to fill every order no matter when the order is placed. Unfortunately, it is impossible to produce the exact amount of product needed without customer forecasts.

Opening orders placed after midnight, **March 1st, 2022** will reduce our ability to supply all of your product needs through the season.

Items that have minimum customer support will be evaluated after the March 1st deadline. If quantities ordered do not meet supplier minimums, HT Enterprises, Inc. will contact you and hopefully find a way to reach the minimums needed.

Note: All Orders INCLUDE a 3% Defective Goods Allowance in your NET Invoice Price
If you would like to be credited for defectives, quoted prices will be raised 3%

POLAR™ EXTREME TIP-UP

The **POLAR™ THERM EXTREME TIP-UP** is an "underwater" Tip-up designed with many features that put it in a class by itself.

UNIQUE FEATURES of the POLAR THERM EXTREME TIP-UP

FREEZE-PROOF

The EXTREME'S patented trip mechanism is freeze-proof so you'll never have to worry about below-zero temperatures affecting your success again.

CONVENIENT

The EXTREME's design allows the entire tip-up to fit in a 5 or 6 gallon pail. Actually stack over five tip-ups tangle-free in a 6 gallon pail !

TANGLE-PROOF

The EXTREME'S design promotes a tangle-free feature with the foam hook holder at the bottom of the spool.

THERMAL ACTION !

Keeps your ice hole free of ice by trapping the thermal action of the open water. This natural phenomena keeps the ice hole open in sub zero temps !

ADJUSTABLE TENSION TRIP

Set the "adjustable tension" light for panfish, medium for walleye and heavy in deep water for lake trout and northerns.

RUGGED DESIGN

The EXTREME is built rugged out of space age plastic to take punishment while it stays lightweight and warm to the touch.

BUILT-IN TACKLE BOX W/LID

The EXTREME has a built-in tackle box for easily convenient set-up at the hole location.

EASY OPERATION !

Simply pull the center mechanism into a perpendicular position, set line at your selected depth, place flag trip wire under the trip bar, and place tip-up over the hole with the spool under the water.

Polar Extreme 15 Piece Tip-Up Kit

TIP-UP KIT CONTAINS

- 6 Gallon Pail w/ Padded Seat

The POLAR THERM™ TIP-UP

The POLAR THERM™ TIP-UP is an "underwater" Tip-up designed with many features that put it in a class by itself.

UNIQUE FEATURES of the POLAR THERM™ TIP-UP

- Ultra-smooth, multiple-designed Trip Shaft (see Inset "A")
- Guaranteed lubed shaft to prevent "FREEZE-UP" in sub-zero temps
- Unique LINEGUIDE designed for easy in and out line placement, yet LINEGUIDE holds line in while fishing (see Inset "B")
- Handle on spool to easily retrieve your line
- The FLAG WIRE is on a slight angle so it can be placed on either side of TRIP SHAFT for light or heavier "trips" for the use of larger bait
- Adjustable height settings for different trip shaft settings
- Three holes in bottom of REEL for hooking your hook to keep leaders straight
- Cover works for holes 6" to 10"
- Thermal warming from the open water is trapped by the specially designed cover that seals the hole preventing the hole from icing-up

NEW! Vinyl Package

Part No.

TU-1

Tom Gruenwald
Author & Pro Fisherman

"This is a great tip-up with many adjustments. When the fishing is tough, the Windlass will come through. It is an extremely sensitive tip-up with a great drag system. The Windlass offers a great multi-jigging system that drives fish to strike!"

The WINDLASS® TIP-UP

The WINDLASS® TIP-UP "jigs" your bait with the slightest "action of the breeze".

UNIQUE FEATURES of the WINDLASS®

- V-shaped frame for easy removal from ice
- "Ends" on frame for quick line pick-up
- Tip-Up "folds down" for easy storage and transport
- Made of solid, high impact black plastic material that is STRONGER THAN WOOD
- Unique Spring-Adjustment Bracket for different weighted lures (see INSET "A")
- New DRAG feature on Spool for different tension settings (see INSET "B")

HT Electronic MAGNUM POLAR Pop-Up

- Has a light/buzzer bite indicator for night fishing which can be turned off during the day
- When fish is running the light and buzzer pulsate
- Batteries not included (2 aa)
- Built in hole cover with velcro door so you can see if the fish is running or not
- Neon orange handle on spool so you can tell if the spool is turning when a fish is on
- Extra large capacity spool with handle that holds 1500 feet of braided line
- Adjustable spring tension drag system
- Comes with two 3 mm x 39 mm light sticks (part no. UG-4)

Part No.

PPM-1500LB

"The list of features for the Polar Pop-Up is virtually endless! It's the easy operation, positive strike signal, adjustable spool tension and super smooth, freeze-proof, wind-proof, snow-proof magnetic trip features that are supreme. This unique specialty tip-up has all the qualities to help improve anyone's on-ice catch."

The Original Magnetic Polar Pop-Up Tip-Up with New Deluxe Lighting System

THE ORIGINAL MAGNETIC POP-UP

Comes with Two 3 mm x 39 mm Light Sticks!

Clam Shell Packaging!

POLAR™ POP-UP TIP-UP

The POLAR POP-UP TIP-UP is an "underwater" Tip-up designed with many features that put it in a class by itself.

UNIQUE FEATURES of the POLAR POP-UP TIP-UP

FREEZE-PROOF

The POP-UP's patented magnetic trip mechanism is freeze-proof so you'll never have to worry about below-zero temperatures affecting your success again.

WIND-PROOF

There is no exposed line or trip mechanism. Even a 50 mph wind can't trip the POP-UP accidentally because its sturdy 3-point suspension makes it stay put.

SNOW-PROOF

Drifting snow simply can't plug the POP-UP's trip mechanism because of its unique design.

POSITIVE SIGNAL

There's no exposed flag to confuse you from a distance and the flag shaft is a bright fluorescent orange so you get a positive signal when a fish strikes.

ADJUSTABLE TENSION

Set the "adjustable tension" light for panfish, medium for walleye and heavy in deep water for lake trout and northerns.

SPOOL WINDER

The POP-UP's specially designed spool winder lets you wind up your line easily any time you want.

WATER BRAKE

On hard strikes, the spool winder acts as a water brake to keep the spool from over-running and fouling up your line.

SPOOL LOCK

The easy-to-grip knurled spool lock is designed for adjusting tension and for locking the spool when storing.

RUGGED DESIGN

The POP-UP is built rugged out of space age plastic to take punishment while it stays lightweight and warm to the touch.

EASY OPERATION !

Simply unlock the cap, open the legs, unlock the spool and bait up ! That's all there is to it. And packing up is just as easy.

MAGNUM POLAR POP-UP HOLE COVER TIP-UP

- Extra-large 1,500' spool with handle
- Adjustable magnet tension settings
- Adjustable positive drag system
- Special reflective top for easy visibility when tube is set down in the "set position" or when it is up in the "bite position"
- New rubber line keeper ring that slides up and down on the pop up tube above the spool so you can put your hook in it to keep your leaders always straight
- Comes with Two 3 mm x 39 mm Light Sticks

200 foot capacity metal spool

Ruler built in Frame !

With Blaze Orange Reflector Tape

Part No. **EXP-500**
500 foot capacity metal spool

- “Ultra-smooth” trip mechanism
- Super high flag for easy visibility
- Deluxe traditional wood frame
- Metal “easy flow” spool - 200 or 500 foot capacity
- Folds for easy transporting
- Rigged with 50 yards of 20# test braided line

Little Jigger 2 IN 1 TIP-DOWN

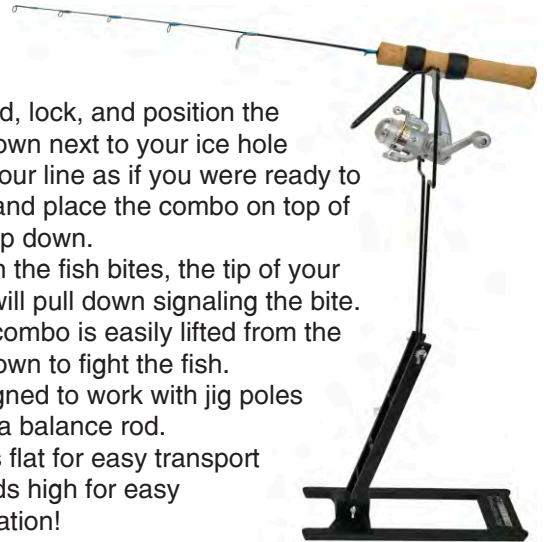

- Works with traditional jig poles or combos
- Strong and durable base
- Folds up or down for easy transport and storage
- Multiple locking angle settings on base to create different settings for your jig pole or rod combo

IceMaster Ultimate Tip Down

Part No.
BTD-50

- Unfold, lock, and position the tip down next to your ice hole
- Set your line as if you were ready to fish and place the combo on top of the tip down.
- When the fish bites, the tip of your rod will pull down signaling the bite.
- The combo is easily lifted from the tip down to fight the fish.
- Designed to work with jig poles with a balance rod.
- Folds flat for easy transport
- Stands high for easy operation!

A unique, custom-designed reel for mounting on the end of your Rod Handle. The unique design allows the fishing line to "pass through" any "hollow" rod blank.

POLAR NIGHT STAR

Tip-Up Light

Part No. **PNRS-1**

- Ultra bright fiber optic light
- Light remains on at all times whether in the horizontal or vertical position or in the flashing or continuous mode
- As the light is on continuously this allows you to see your tip up at all times and for oncoming vehicles, ATV's and snowmobilers
- Uses one "AA" battery that is not included

THE OMNI "STRIKE" LITE

w/ New Clip System

Lite is OFF  Lite is ON 

UNIQUE FEATURES

- Super-Lightweight (1/4 oz.)
- Works on all flag wire and flag steel style tip ups
- Easy-to-Mount "CLIP-ON" feature
- High-Intensity red light can be seen 50 to 100 ft. away
- Comes with 1 BR-435 pin style battery

ENVIRONMENTALLY SAFE TILT SWITCH PROTECTING NATURE

Part No. **ML-2**

Micro Shot Dial Box Assortment

Part No. **NX-200**

HT micro shot dial box has No.2 through No. 8 shot. Designed for ice fishing with light jigs.

HT Lithium Battery Replacement

w/ Bonus LED Clip-on Light

Part No. **MLB-1**

- Superior long lasting BR-435 universal lithium battery
- Bonus LED clip on light included to be used as a low intensity utility light
- Led light comes with clip so you can clip it to your jacket, shirt or hat
- Battery works with HT's ML-2 OMNI strike lights and most summer lighted floats.

HT NORTHSTAR TIP-UP FLAG ASSEMBLY BITE INDICATOR LIGHT

Part No. **NTB-1**

- Super bright red L.E.D. illuminates when flag lifts from horizontal to vertical position
- 16.5" tall for increased visibility
- Fits most major tip-up brands
- Uses three LR44 button cell batteries (included)

All Season Micro-Lite

Part No. **ML-7**

Sound & Light Indicates Strike !

This 4-season Micro-Lite is designed for use on any Tip-Up. Comes equipped with a micro sensitive, switch for easy line release. Comes with lite and two standard 1.5V batteries (hearing aid, 312 or 392, or equivalent)

Night Star Strike Light

w/ Dual Yellow/Red Light System

NEW and IMPROVED TILT SWITCH!

Part No. **NSL-1**

The NightStar Strike Lite easily attaches to the flag apparatus of most tip-ups on the market. The "dual strike light" makes this strike light like no other light. Simply choose hi-viz "red" or ultra-bright "yellow" as your indicator. Your fishing friend may choose the other color. Now you can fish side by side and instantly know who has the bite! Comes with 2 DR44 button cell alkaline batteries.

HT ILLUMINATOR LIGHTED TIP-UP FLAG ASSEMBLY

Part No. **ILTB-1**

- Super bright fiber optic line illuminates entire length of flag assembly
- Stands 16.5" high for heightened visibility
- Two settings: continuous on & flashing mode
- Fits most major tip-up brands
- Uses three LR44 button cell batteries (included)

Tip-Up and Ice MonoFilament Lines

POLAR ICE **BRAIDED** **ICE LINE**

HT's POLAR ICE Braided Ice Line is the favorite line of ice fishing enthusiasts across North America. This strong braided black nylon line has low memory and low stretch qualities at economy prices. This POLAR ICE Braided Ice Line is available in three popular sizes.

TELESCOPIC POLAR SKIMMER

5" CUP SIZE

Extends to 36" Long !

Part No. TPS-36

The Telescopic Polar Skimmer is a good all-around sturdy skimmer. The telescopic feature allows you to skim holes without the need to bend over as far. It collapses for easy storage and transport.

ICEMAN SKIMMER

Part No. ICS-1

18" Long w/ 5" Cup

- Hook on end of handle
- Rimmed cup for E-Z ice removal
- Extra strong wire handle
- Special yellow zinc plating

POLAR THREE-IN-ONE SKIMMER

Part No. HTS-1

23" Long w/ 6" Cup

HT's 3-in-1 Skimmers feature a metal handle with a handy ruler stamped into it. The long lasting riveted construction and durable plastic cup make it perfect for fishing in cold weather. Ice can be squeezed off the plastic flex-cup without breaking or losing shape even in the coldest weather. The cup end of the skimmer also features an ice chipper that is ideal for chipping away skim ice.

ICEMAN CHIPPER SKIMMER

Part No. ICS-3

w/ Ruler & Chipper

- Extra long 22" handle
- 16" ruler on handle
- Handy ice chipper on end
- Extra large holes in cup
- E-Z "ice-off" coated 5" cup

POLAR CHIP N' DIP SKIMMER

Part No. CD-18 23" Long w/ 6" Cup

HT's Chip N' Dip Skimmer features a heavy duty metal handle with a handy ruler stamped into it. The long lasting riveted construction and durable metal cup make it perfect for fishing in cold weather. The heavy duty welded chipper is ideal for opening old holes or removing skim ice.

POLAR ALUMI-FLEX SKIMMER

Part No. PFS-1D

16" Long w/ 5" Cup

HT's Poly-Flex Skimmers feature an aluminum handle and plastic cup making it perfect for fishing in cold weather. Ice can be squeezed off the plastic flex-cup without breaking or losing shape even in the coldest weather.

RIMMED CUP METAL SKIMMER

Part No. ESK-2D

18" Long w/ 6" Rimmed Cup

Riveted Handle

POLAR FLEX SKIMMER

Part No. PFS-1

16" Long w/ 5" Cup w/ EVA Handle

HT's Poly-Flex Skimmers feature a plastic handle and plastic cup making it perfect for fishing in cold weather. Ice can be squeezed off the plastic flex-cup without breaking or losing shape even in the coldest weather.

POLAR METAL SKIMMER

Part No. ESK-1 18" Handle w/ 4" Cup

Part No. ESK-2 18" Handle w/ 6" Ladle

HT offers a New Economy Metal Skimmer featuring a 4" or 6" ladle for easy skimming. Excellent value!

Chip n'Dip Premium Folding Skimmer

Part No.
CDF-18

- Has a "Sure Lock" folding system that is sturdy and strong
- Fold up feature allows for easy transport and storage
- Premium chipping blade with cover on one end
- Never hits the bucket handle once in the locked folded position

ICE SKIMMER with Folding Handle System

Part No.
ESK-2F

- Premium strong metal folding handle with a sure lock system
- Folding system allows for easy transport and storage
- Special 2 piece locking system that is strong and sturdy
- Six inch scoop diameter to quickly clean out the slush

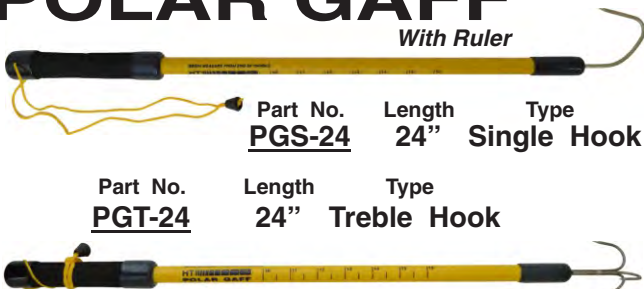

Part No.
FMS-1 6" Spreader
FMS-2 10" Spreader

Extra durable spring steel construction.
Now in 2 different sizes.

Fish Mouth Spreader

POLAR GAFF With Ruler

Part No. **PGS-24** Length 24" Type Single Hook

Part No. **PGT-24** Length 24" Type Treble Hook

GAFF HOOKS

Part No. **DGF-1**
25" Long

This Gaff Hook is made of durable Steel with a large Treble Hook welded into the Tip for sure "gaffing" ability. The Handle has a "sure-grip" texture that prevents "slipping" when your hands are cold or wet.

HT EYEBUSTER WITH LINE CUTTER

- Keep your jig eyes clean always with this tool
- Premium alloy spring steel for the best function
- Red powder coated grip for easy use with slippery or wet hands
- Never use another jig or lure again to open up the eye of your favorite jig or lure
- Never dull another jig or lure again when you have this great tool in your tackle box

Part No.
EB-16

TELESCOPIC POLAR GAFF

Extends to 30" Long!
Part No. **PGS-30T**

The Telescopic Polar Gaff is a good all-around gaff hook. The telescopic feature allows you to gaff fish without the need to bend over as far. It collapses for easy storage and transport. Super-sharp bronze forged hook with wide gap for sure hooking.

THERMAL FOAM HOLE COVER Part No. THC-1

HT's new THERMAL HOLE COVER works ideally with any tip-up! Simply slip the insulated foam material around the center tube or crossbar to prevent snow and light from entering the hole. The black material also absorbs sunlight and the thermal energy of the water to prevent the hole from freezing. Also included is HT's Freeze Proof tube, which prevents the Windlass from freezing up, even on the coldest days!

BLU-LUBE LUBRICANT

Special Anti-Freeze Formula

2 oz. Bottle
Part No. BL-2

Part No. BL-25
(4 oz.)

Special anti-freeze lube for Tip-Ups, Reels and Compound Bow Bearings. The lube remains soft in reels for fishing in late Fall and cold weather, but remains in gears during hot summer days. Great for Reel Repair Shops. The lube is odorless and ideal for use on Compound Bow Bearings. Comes in handy squeeze bottles.

All Season Bells

w/ Lite Stick Holder

Part No. TBH-1

HT's popular TIP-UP BELLS just got even better! Now you can add HT's ultra glow light sticks to the bells for even greater visibility. Comes with a 4.5 x 39 mm lightstick. (UG-2)

ALL PURPOSE FISHING GLOW BELLS with Lightstick Holder

The HT Glow Bells easily attach to any tip-up flag wire. When the fish hits, the bells and the fluorescent glow alert you to your tripped flag! Uses 4.5 x 39 mm lightstick.

TELESCOPIC TIP-UP FLAG EXTENSION

Extends 32" High
1 per pkg

- This product is sure to attract every ice fisherman!
- Easily seen when fishing in deep snow
- Stands tall as a Tip-Up marker in the snow.
- Alerts snowmobilers and other vehicle operators to the presence of your tip-ups.
- Works with all PTE and PTT Polar Therm hole cover tip ups by HT. May work for other brands as well

Part No. **FAA-1**

TIP-UP "QUICK SPOOLING" CORDLESS DRILL ADAPTER

- Fits any cordless drill
- Unit slips over top of tip-up mechanism and is secured over trip shaft of "underwater" style tip-ups
- Spins tip-up tube mechanism to spool tip-up line quickly and effortlessly!

Part No. **QSA-50**

TIP-UP FLAG STEEL

Part No. **TU-4**

A Versatile and flexible Stainless Flag Steel that can be adapted to all kinds of Tip-Ups. Flag material attaches to Steel with clips. 3 per pkg.

TIP-UP FLAGS

Part No. **TU-5**
3"x3" Orange

Tip-Up Flags can be used on all Tip-Ups. Material is made of a durable, weather-resistant, rip-proof, vinyl-coated material.

ALL-SEASON LINE HOLDER

Part No. **LK-20**

The best way to keep your fishing line from "unreeling." Snaps easily on and off Tip-Up Spools to keep line in place. A handle makes the "lineholder" easy to grasp. Made of lightweight polypropylene so it floats. Fluorescent yellow color makes it hard to lose. 2 per package.

1 1/2" Diameter
Also Works Well For Your Summer Spinning Reels

TIP-UP LINEMARKERS

1/2" Dia.

Used as a "marker" on the line, not as a float. With Linemarkers, it is easy to re-set your line after a fish bites.

GOLDEN LITE

ICE LURES

HT's **GOLDEN LITES** have an attracting quality all fish are inherently triggered by! As sunlight glimmers off the special glitter, it creates a fish-attracting flash. HT's researchers have found that winter and fussy summer fish often examine lures closely, ignoring anything that isn't the right size, shape, or color. HT's **GOLDEN LITES** attract even the toughest to catch!

ICE ANTS

THE ANT FISH CAN'T RESIST!!!

RESIST!!!

HT's **ICE ANTS** are proven highly effective for both winter and summer. The tantalizing action produced by the soft rubber legs is more than fish can resist! When jigged up and down by the angler or by wave action created from a bobber or float clipped just above it, the HT's **ICE ANT** accurately simulates the motion of zooplankton, an important part of the panfish diet.

FISH EYE JIGS

Studies have indicated that when gamefish strike their prey often the eye is the item they focus their attack on. **Hot Bite FISH EYE LURES** simply enhance this natural attracting feature and will increase your catch! In fact, some research shows that **Hot Bite FISH EYE LURES** will fool actively feeding fish two to three times that of similar lures. This lure is great for summer or winter fishing.

LUNAR LURES

Hot Bite LUNAR LURES are proven highly effective, both summer and winter. The subtle "Lunar Glow" helps fish find your lure in conditions where they can't see well, such as dark or stained water environments or at night.

Hot Bite LUNAR LURES are sold as traditional teardrop lures with the advantage of its unique glow feature.

SLIM RAT ICE JIGS

Hot Bite's custom designed Slim Rat Jigs feature light, precision balanced heads and an exclusive, highly durable "tight-fit" soft bodied tube tails. This combination results in an extremely small profile, slow falling bait that helps trigger even the fussiest winter fish. Works especially well when tipped with tiny maggots or grubs.

ROCKER JIGS

Force **ROCKER JIGS** are proven highly effective . . . Winter or Summer. The unique "rocking action" of Force **ROCKER JIGS** works wonders for all gamefish, particularly when vertically jigged for crappies, white bass, bluegills and perch. When fishing with the **WINDLASS TIP-UP, ROCKER JIGS** produce an irresistible action for larger predators, such as northern or walleyes.

Mousee JIGS

With Plastic Shrimp Tail!

Force **Mousee** jigs are a lightweight, super slow-falling vertical jig design featuring a soft plastic body with a long, vibrating "tail" that closely resembles a real "mousee" grub. Even the slightest, gentle jiggling motion causes the thin plastic "tail" to undulate in a natural motion that is irresistible to all panfish.

APALS® LIGHT WHERE YOU NEED IT!

HT 
WWW.HTENT.COM™
 CUTTING EDGE HI-TECH LIGHTING TECHNOLOGY

- Can be seen up to 2 miles horizontal and 3 miles from the air
- Runtime: Up to 200 Hours
- Modes: Fast Flashing / Slow Flashing / Steady On / Off
- Heavy Duty 3M® Adhesive Back
- Easy-Pull Tab
- Waterproof, Dustproof & Shockproof

○ ALL PURPOSE ADHESIVE LIGHT STRIPS

APALS® portable light strips are a much "greener" alternative to chemical light sticks as they can be turned off and on and reused many times compared to a one time use chemical light stick. They can be used to light your tackle box, cooler, fishing rod holders or anywhere you require super bright, long lasting lighting. APALS® multi-purpose light strips can reduce volume and weight in your tackle box as they replace several lighting tools with their versatility. APALS® will provide up to 200 hours of light and weighs less than a fraction of an ounce. The highly polished aluminum surface is a great daytime signaling mirror. The bright LEDs with fast and slow flashing modes are highly effective at night for signaling a rescue team. APALS® portable light strips are easy to carry in and carry out and are an essential piece of gear in any tackle box.

MODEL NUMBERS:

- APAL-1W APALS 1/pkg white LED
- APAL-1W-72 APALS 1/pkg 72 each per sidekick white LED
