STREAMSIDE® PREDATOR™ FRESHWATER SPINNING RODS

"I have had the opportunity with providing some insight on designing the rod series with respect to giving my advice on what anglers want to see in a rod & why. Simply put these rods have all the features: from longer rod lengths, grip corks, lightweight compared to most competitors rods, durable & strong."

Tasmanian Devil Lures & Red Eye Wigglers

TAZMANIAN DEVIL LURES & ACCESSORIES

The Tasmanian Devil was first introduced in the late 1970s and hasn't changed since. The reason it hasn't changed is because it's perfect the way it is. Whether you're fishing trout, pike, bass or salmon or you're casting, trolling or jigging, it will perform with deadly results.
